### Our Traditional Worship

Northwoods believes that a traditional worship service reflects the reverence suggested by Scripture. You will notice that we differ from many evangelical churches who practice a contemporary form of worship, because of our simple accompaniment and use of the historic hymns of the faith. We believe that “worship” includes the entire service, not just the music, and therefore we distribute our hymns of praise throughout the service. May God bless us as we worship Him together.

We hope you can join us for both sessions, however, if you can only attend the Sunday School hour there will be much for you to think about and discuss with your family on your own.
