Help Needed: Northwoods Facility Team

Are you handy/skilled in maintenance? We are seeking to establish a list of congregants who are willing to be on a call list to help when maintenance needs arise in our church building. A sign-up sheet is available in the narthex. Please reach out to Jon Chapman with questions.

Men's Service Saturdays

To help meet needs in our congregation while encouraging service and fellowship among the men of Northwoods, the deacons are launching Men's Service Saturdays. This will be a monthly opportunity for the men of Northwoods to get together monthly on Saturday mornings for a 3-4 hour project. Projects in mind include (but are not limited to) serving widows in the church who have needs around their home, helping the elderly or infirm with project needs, or other service projects. More information on our first Men's Service Saturday will be coming soon. Please reach out to Jon Chapman with questions.

Upcoming Events

Our annual church workday will be scheduled this spring, date TBD. More information to come!
