**Service for the Congregation**

Over the past quarter, the deacons coordinated two service projects for the congregation. The first, in November, involved assisting the Staton family with moving furniture to their new home, and in December, the second helped Betty Wilson move to a new residence. Both moves were completed successfully and were deeply blessed by the support of the Northwoods church family.

**Diaconal Giving Sundays 2026**

Northwoods has been richly blessed by the generous hearts of our church family in supporting the deacon's fund throughout the year. In the past, we've set aside the first Sunday in January for a special diaconal offering to prepare for the year ahead. For 2026, the deacons have decided to take a flexible approach and call for special diaconal offering(s) as needs arise throughout the year. Look for more communication when these special offerings are called for.

**Current Opportunities to Serve in the Church**

Please reach out to one of our deacons if you'd like to serve in any of the listed opportunities.
